

Intravital Microscopy Seminar

A new 2-photon and confocal all-in-one solution from IVIM Technology

Keynote Speaker: Prof. Pilhan Kim

*Professor, Korea Advanced Institute of Science and Technology (KAIST), Republic of Korea
CEO/CTO, IVIM Technology, Inc., Republic of Korea*

14:30-14:45 Dr. Niko Viggianiello & Dr. Simone Vumbaca

Topic Introduction

14:45-15:45: Prof. Pilhan Kim

Real-time IntraVital Microscopy (IVM): In Vivo Cellular-level Imaging of Internal Organs in a Live Animal

15:45-16:00: Q&A

16:00-16:45: Dr. Luna Chen & Dr. Alex Kim

Remote Demo Session

22 APRIL 2024

14:30

San Raffaele University
via Olgettina 58, Milano
DiBit 1, Piano -1S

Organized by:

Dr. Niko Viggianiello e Dr. Simone Vumbaca, Crisel Instruments srl

Crisel Instruments

IVIM
TECHNOLOGY

Alembic

Advanced light & electron microscopy bio-imaging center
